Marcus Autism Center

Children's Healthcare of Atlanta

Learning Objectives

Following the education, the learners will be able to:

- Describe the landmark genetic studies that have been conducted in autism spectrum disorder
- List the newly identified genetically defined subtypes for autism spectrum disorder
- Identify the clinical implications for genetically defined ASD subtypes

A light lunch will be provided to those who register by noon on Wednesday, March 22nd. Contact Sara Gunter at 404-785-7833 or sara.gunter@choa.org.

Children's Healthcare of Atlanta is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

Children's designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
