

COVID-19

CORONAVIRUS DISEASE 2019

The Hope Clinic and the Emory Children's Center Vaccine Research Clinic (ECC-VRC) are working on a research study to see if new vaccine strategies are well tolerated, safe, and able to increase immune responses against **COVID-19 and COVID-19 Variants.**

Who

- Healthy adults 18-55 years of age.
- Cannot have already had a COVID-19 infection or received vaccination.

Participation

- 8-10 clinic visits (including 2 or 3 vaccination clinic visits) over 14-15 months
- 2-3 follow-up phone calls

Compensation

- \$100 for initial screening visit and for each of the two or three vaccination visits
- \$75 for all other office visits
- \$20 for each scheduled phone call

Interested

- Please call or email us at one of our two convenient locations:
