

CALLING ALL MENTORS

ARE YOU:

- A clinical research coordinator with more than two years of experience?
- Able to help new clinical research coordinators become more comfortable in their job responsibilities?
- Someone who enjoys supporting the growth and development of others?

THEN WE WANT YOU!

Emory University's Department of Pediatrics and Children's Healthcare of Atlanta's Clinical Research Coordinator Program is seeking one-on-one mentors. **To learn more and to apply, click [here](#).**
